**ABOUT TRANSCAT**

Transcat, Inc. is a leading provider of accredited calibration, repair, inspection and laboratory instrument services. The Company is focused on providing best-in-class services and products to highly regulated industries, including life science, aerospace and defense, pharmaceutical, medical device manufacturing and biotechnology. Transcat provides permanent and periodic on-site services, mobile calibration services and in-house services through 20 Calibration Service Centers strategically located across the United States, Puerto Rico and Canada. The breadth and depth of measurement parameters addressed by Transcat's ISO/IEC 17025 scopes of accreditation are believed to be the best in the industry.

Transcat also operates as a leading value-added distributor that markets, sells and rents national and proprietary brand instruments to customers globally. Its e-commerce focused website and product catalog offer access to more than 100,000 test, measurement and control instruments, including products from approximately 540 leading manufacturers.

Transcat's growth strategy is to leverage its service capabilities, strong brand and leading distribution platform to drive organic sales growth and to expand its addressable calibration market through acquisitions and capability investments to further realize the inherent leverage of its business model.
