

Part No.

# QTFT-2MS0-QD

1/4" male NPT QD (Quick-connect) fitting, S.S.

Make calibrating pressure transmitters a snap by eliminating the need for thread sealant or wrenches when connecting to any female NPT connection

## Features

- A unique design allows connection to standard female NPT ports using a pressure-assisted o-ring seal
- Pressure helps to seal the fitting better
- A Cap and chain makes calibration easy and quick by connecting and disconnecting a hose without a wrench or thread sealant
- Stainless steel construction
- Made in USA

QTFT-2MS0-QD

## Specifications

|                   |                                     |
|-------------------|-------------------------------------|
| Pressure Range    | 0 to 5000 psi (0 to 345 bar)        |
| End C1            | 1/4" Male NPT with Quick-Disconnect |
| End C2            | Male Quick-test with Cap and Chain  |
| Has Check Valve   | No                                  |
| Temperature range | 0 to 225 °F (-18 to 107 °C)         |
| Construction      | Stainless Steel                     |
| Seal materials    | Buna-N                              |
| Dimensions A      | 2.34 in (5.94 cm)                   |
| Dimensions B      | 1 in (2.54 cm)                      |
