Fluke 330 Series Clamp Meters

Leading the way with innovative features that fit the way you work

The top-of-the-line True-rms clamp meter, large jaw measures ac/dc current and voltage, ohms, display hold, motor start-up current (in-rush),

frequency, MIN/MAX capability and a large

backlit display

• Auto shut-off maximizes battery life so the meter works when you need it

- Small body and jaws fit perfectly in your hand and into tight places
- Large, backlit display (on most models) is easy to see
- In-rush current function (on most models) for measuring starting current for motors, lighting, etc.
- Improved low current measurement accuracy from new microprocessor technology
- Meter controls are positioned so current measurements can be done with one hand (index finger on clamp opening lever and thumb on rotary switch)
- Handy display hold keeps measurements on the display
- Backed by Fluke technical phone support, repair, parts and calibration service
- Three-year warranty

Fluke 336

A True-rms clamp meter that measures ac/dc current and voltage, ohms, display hold, motor start-up current with large display and backlight

Fluke 335

A True-rms clamp meter, large backlit display measures ac amps, ac/dc volts, ohms, display hold and motor start-up current

Fluke 334

Large display with backlight, measures ac amps, ac/dc volts, ohms, display hold and motor start-up current

Fluke 333

Rugged reliability at a basic price, measures ac amps, ac/dc volts, and ohms with display hold

Specifications (@23°C ±5°C RH 0-90%)

- Operating Temperature $-14^{\circ}F$ to $122^{\circ}F$ ($-10^{\circ}C$ to $+50^{\circ}C$)
- Altitude 2,500 meters
- Battery Life alkaline approximately 150 hours continuous, automatic low battery indicator
- Safety Rating IEC 1010-2-031, 600V CAT III
- Three-year warranty
- Temperature De-rating Add 0.1 x specified accuracy for each °C above 28°C or below 18°C
- \bullet Storage Temperature -40°F to 140°F (-40°C to +60°C)

Included Accessories Optional Accessories

- Soft Carrying Case
- TL75 Test Leads
- (2) AA Alkaline Batteries
- Coated Instruction Card
- Safety Information Sheet

 H3 Holster with test lead storage pocket

Fluke. Keeping your world
