

Educational Discount Up to 50%

Save more and Get SMARTer with Keysight

Keysight is committed to supporting academia — let's do amazing things together. To stand out above the rest, you need smarter resources in your labs. Under the educational discount program, approved educational institutions receive a 15% discount on eligible hardware products and a 50% discount for select software products.

Save 15% on hardware

| | | | |
|--|--|---|--|
|  Oscilloscopes |  Signal Analyzers |  Frequency Counters |  Power Analyzers |
|  Digital Multimeters |  Signal Generators |  LRC Meters |  Data Acquisition |
|  Waveform Generators |  Network Analyzers |  Impedance Analyzers |  Parameter / Device Analyzers |
|  DC Power Supplies |  FieldFox |  Power Meters and Sensors |  Source Measure Units |
| Handheld products and more | | | |

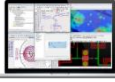

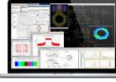

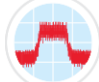

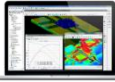

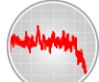

You can set up accredited teaching labs and state-of-the-art research labs with Keysight's education discount program.

Equip your teaching and research labs now with industry-leading design and test tools.

Save up to 50% — valuable for your students and right for your budget.

Save 50% on software

| Design and Simulation Software | | Application Software | | |
|--|--|--|---|--|
|  PathWave Advanced Design System (ADS) |  PathWave RFIC Design (GoldenGate) |  PathWave Vector Signal Analysis (89600 VSA) |  Infiniium Series Oscilloscope Software |  Photonics Application Suite |
|  PathWave EM Design (EMPro) |  PathWave Model Builder |  PathWave X-Series Measurement Applications |  Network Analyzer Software ¹ |  Labber |
|  PathWave RF Synthesis (Genesys) |  PathWave Model Quality Assurance |  Signal Optimizer |  NEMO Wireless Network Software |  Quantum Benchmark |
|  PathWave System Design (SystemVue) |  PathWave WaferPro |  PathWave Signal Generation |  Wireless Test Platform Software ² | |
| Programming Software | | Productivity Software | | |
|  PathWave Test Automation |  VEE Pro |  PathWave Data Analytics | | |
|  PathWave FPGA Programming Environment | |  PathWave BenchVue | | |

¹ Applicable to the select software of the network analyzers only. Software installed on FieldFox is not eligible.
² Applicable to the select software of the wireless test solutions only.

Take advantage of this educational support program by contacting your Keysight sales representative or authorized partners to confirm your eligibility for the educational discount or to place an order.
