ABOUT TRANSCAT

Transcat, Inc. is a leading provider of accredited calibration, reliability, maintenance optimization, quality and compliance, validation, Computerized Maintenance Management System (CMMS), and pipette services. The Company is focused on providing best-in-class services and products to highly regulated industries, particularly the Life Science industry, which includes pharmaceutical, biotechnology, medical device, and other FDA-regulated businesses, as well as aerospace and defense, and energy and utilities. Transcat provides periodic on-site services, mobile calibration services, pickup and delivery, in-house services at its 25 Calibration Service Centers strategically located across the United States, Puerto Rico, Canada, and Ireland. In addition, Transcat operates calibration labs in 21 imbedded customer-site locations. The breadth and depth of measurement parameters addressed by Transcat’s ISO/IEC 17025 scopes of accreditation are believed to be the best in the industry.

Transcat also operates as a leading value-added distributor that markets, sells and rents new and used national and proprietary brand instruments to customers primarily in North America. The Company believes its combined Service and Distribution segment offerings, experience, technical expertise, and integrity create a unique and compelling value proposition for its customers.

Transcat’s strategy is to leverage its strong brand and unique value proposition that includes its comprehensive instrument service capabilities, enterprise asset management, and leading distribution platform to drive organic sales growth. The Company will also look to expand its addressable calibration market through acquisitions and capability investments to further realize the inherent leverage of its business model.
