- Integral drainage ports in heavy duty fiberglass tray
- Powder coated chassis
- Total weight of UTiLiTRAY™ is 7½ pounds

MODEL UH-1814 UTiLiTRAY™

UTiLiTRAY™ eliminates the need to balance tools, laptops, spare parts, meters and gauges on top of pipes while working.

Pipeline technicians love the user friendly design and ease of operation.

Using a UTiLiTRAY™ makes for a clean, safer and more efficient workspace.
