Here's how to redeem

- Purchase a “Qualifying Fluke Product” from an Authorized Fluke Distributor.
- To submit a free product redemption request online, eligible customers must visit www.underpressure2022.com and submit receipt information using the web portal. Eligible customers will then be able to select the free Pressure Module. We expect the free Pressure Module to ship out 4-8 weeks after submitting the claim on the web portal, provided the product(s) requested are available and not short on supply.
- Certain distributors may fulfill the free Pressure Module at point of purchase with express written approval from Fluke Electronics Corporation. **Eligible customers working with a distributor who fulfills directly do not need to visit the web page described above. Please follow the redemption process described by the distributor. Please contact your distributor to confirm if they are fulfilling the free modules.**
- Customers will have thirty (30) days after the date of product purchase/transaction (as evidenced by the date on the invoice/receipt) to submit the claim for the free Pressure Module by submitting receipt information in the web portal.
- All costs associated with shipping and handling of a free product made in connection with the Promotion will be paid by the Sponsor. The customer is responsible for all taxes, customs duties and other similar fees payable in connection with receiving the free Pressure Module.
- Questions can be directed to underpressure@fluke.com.
