DEFENDER™ 3000 WASHDOWN-I-D33

Economical Bench Scales with IP66 All Stainless Steel Construction for Basic Industrial Applications

Display
7 Segment LCD with multicolor backlight

Communication
Standard RS232 and optional USB Device or Ethernet

Construction
304-grade stainless steel platform and frame, stainless steel IP66 indicator, IP67 load cell, non-slip adjustable rubber feet.

Design Features
150% overload protection

Operation
Internal power supply with hardwired power cord or internal rechargeable battery (included).

Results are clearly shown using the large, bright backlit LCD display. In Checkweighing mode display changes color (yellow/green/red) to alert when within the target weight range.

Features software for Parts Counting, Checkweighing and Totalization. Includes RS232 with optional USB Device or Ethernet for printing or data connectivity.

This tough industrial scale features a 304-stainless steel platform and frame, IP67 load cell. Indicator features an IP66 washdown protected 304-stainless steel housing with mounting bracket.

I-DT33XW

Stainless Steel Washdown Indicator for Basic Industrial Applications

Display
7 Segment LCD with multicolor backlight

Communication
Standard RS232 and optional USB Device or Ethernet

Construction
IP66 stainless steel housing and mounting bracket.

Design Features
150% overload protection, Includes connection for EasyConnect bases—connect to any EasyConnect base for instant configuration, Terminal block in housing provided for non-EasyConnect bases.

Operation
Internal power supply with hardwired power cord or internal rechargeable battery (included).

Results are clearly shown using the large, bright backlit LCD display. In Checkweighing mode display changes color (yellow/green/red) to alert when within the target weight range.

Features software for Parts Counting, Checkweighing and Totalization. Includes RS232 with optional USB Device or Ethernet for printing or data connectivity.

Indicator features an IP66 protected 304-stainless steel housing with bracket. Display resolution up to 1:30,000; NTEP and Measurement Canada approved to 1:6,000.

DEFENDER™ 3000 WASHDOWN
Bench Scale Bases for Basic Industrial Washdown Applications

Construction
304-grade stainless steel platform, stainless steel tubular frame, IP67 stainless steel load cell

Design Features
150% overload protection, Includes EasyConnect system with base capacity, readability and factory calibration programmed in module, Connect to any EasyConnect indicator for instant configuration. Can also easily be wired into non-EasyConnect indicators.

This tough industrial scale features a 304-stainless steel platform, frame and IP67 load cell.

Capacities from15 kg/30 lb to 300 kg/600 lb, with platforms from 305 x 355 mm/12 x 14 inch to 500 x 650 mm/19.7 x 25.6 inch

Default resolution up to 7,500d; NTEP certified and Measurement Canada approved to 3,000e for legal-for-trade performance.

DEFENDER™ 3000 BASE

Bench Scale Bases for Basic Industrial Applications

Construction
304-grade stainless steel platform, powder-coated steel tubular frame, aluminum load cell.

Design Features
150% overload protection, Includes EasyConnect system with base capacity, readability and factory calibration programmed in module, Connect to any EasyConnect indicator for instant configuration.

This tough industrial scale features a 304-stainless steel platform, powder-coated steel tubular frame and column, aluminum load cell.

Capacities from15 kg/30 lb to 600 kg/1,200 lb, with platforms from 305 x 355 mm/12 x 14 inch to 600 x 800 mm/23.6 x 31.5 inch.

Default resolution up to 7,500d; NTEP certified and Measurement Canada approved to 3,000e for legal-for-trade performance.

Model	Capacity	Readability	Certified Readability	Platform Size	Item Number	List Price (USD)
